maj. Gen. Account wood, he's softener general of the Philippines, on in inspection four of Indang, a Philippines

donor of the new chemistry building at Cornell, at the laying of the cornerstone, following the manuguration of Livingston Farrand as college Charles M. Schwab (right).

GERMANY HIDES HER ANKLES hapely ankles or dainty feet, is about to hide these extremities.

Fashion, as represented by the fall mode week, has decreed that. True some short skirts were still there

but the prevailing style showed long skirts. Sometimes these were actually long; other times the length was attained by addition of lace or streamers or such like creations.

And, while the lowering of the skirt was thus ordained, the fashion arbiters also showed a startling tendency to drop the neck, giving an even more decollete effect than last season's creations permitted.

Furs will be quite popular. Capes, popularized already this summer, were shown extensively, made from silk and lighter fabrics to furs.

The tailors for men also partici-

tailors for men also particiin the mode week and their
t fall styles show a tendency
s color and less fancy sporting
than was the case a year ago.
